Installing git on Windows 10

2021-11-28

Phillip G. Bradford¹

SUMMARY

This document shows how to install git on Windows 10

DETAILS

Git is a source control system. It is not pre-installed on Windows machines. Github is owned by Microsoft.

INSTALLATION

Please go to this link and follow the instructions

<https://github.com/git-guides/install-git>

This is at your own risk.
